(Mythic High Hallway: Zahari, Principal, Penelope, Penelope's Mom, Alive Parents) Bb major.

Ukulele Chords:

[See tablature on sheet music.]

Arise ye parents from your slumbers.

Arise ye prisoners of zombies.

For reasons to revolt now thunders:

To murder the walking dead.

Cast away your foolish superstitions.

Zombie hunters arise, arise.

We'll change henceforth the old traditions,

and murder zombie cheerleaders.

Grab your chainsaws and ball bats,

and the last fight let us face.

The quest to whack a zombie

unites the human race.

Grab your hatchets and tire irons,

and the last fight let us face.

The quest to whack a fiendish ghoul

unites the human race.

You start with gasoline
and you add a chain- [F#] saw.

You bulldoze out her brains,
and you drop 'er to her [F#] knees.

It might not be the greenest way,
this chainsaw so- [F#] lution.

when 'er noggin' hits the floor
and the thump'll cause a [F#] grin.
